

SIDE HUSTLE CHEAT SHEET

To find your **ideal** side hustle, ask yourself these three questions.

- What do you like to do? Make a list
- What do you need to do?
- What are you already doing?
- What would you like to learn that you could teach someone else?
- What do you need to learn that other people also might like to learn too?
- What have you already learned that other people would like to learn?

Let's Monetize it!

Top 10 Side Hustle Ideas that allow you to stay at home with your kids!

- **Turo.com/getaround.com** - Both allow you to rent out your car when you are not using it.
- **Influencer/blogger** - This allows you to focus on whatever it is that you love. As you get popular companies will pay you to advertise their products.
- **Etsy.com** - Sell things you make at home (arts, crafts etc.).
- **Fiver.com/Upwork.com/lwriter.com** - Are you good at graphic design, writing, designing logos, writing resumes, etc. contract out your work and work from home doing things you like to do.
- **Rover.com** - Do you like animals? Be a pet sitter. A goodtrustworthy dependable pet sitter is hard to find and can make good money.
- **Child Care/Elderly Care** - If you enjoy spending time kids or the elderly this could be a great option. Like pet care, good, dependable people are compensated well.
- **Home Bakery** - There is a license that can be obtained from the department of agriculture that allows you to bake and sell baked goods from your home.
- **Virtual Assistant/Manage Social Media** - Both of these options, if you are good at what you do, you will be compensated nicely. And you can do it from home.
- **Amazon Affiliate** - Create product reviews on youtube and drop your amazon affiliate link in the comments, when people buy products you make a commission.

SIDE HUSTLE CHEAT SHEET

continued...

- **Teach a Second Language** - Do you know another language, teach that language to others either in person or online. Or teach English to others as their second language.
- **Bonus Idea: Sell your plasma** - You could earn more than \$200 a month! For only a couple of hours a week of your time.

Top 10 Side Hustle Ideas if your goal is NOT to stay at home with the kids

- **Handy Man/Lawn Care** - If you have the knowledge, you don't need a lot of tools to get started. You can start with just a few tools and build up. Right now there is a shortage of both good handy men or women and lawn care professionals.
- **Uber/Lyft Driver** - With these you have freedom of schedule and if you like meeting people this could pay for a new car or just give you extra spending money without the commitment of a JOB.
- **Real Estate Agent/Investor** - This is a bigger commitment but you are still your own boss and if you are good at it the compensation is great.
- **Photographer/Videographer** - This is fun and profitable. You will need good equipment but you may have it already if you are doing it for fun already anyway.
- **Day Care for Children/Elderly/Pet** - You take your pick. If you like children, the elderly or animals this is for you. Dependable, trustworthy people are sought after.
- **Interior Design** - Once again if you have an eye for this kind of stuff people will pay for your advice.
- **Personal Trainer** - If you like the gym and spend a lot of time there anyway, this could be a great fit.
- **Virtual Assistant/Social Media Manager** - This is a great one, that is why it is on both lists. If done right there is a lot of money to be made. You have to be good at it though.
- **DJ** - For the younger generation this is fun way to make so extra cash. And for some it can turn into a great living.
- **Udemy.com/audible.com** - Create trainings about what you know that others may want to learn about and sell those trainings on these and other platforms.
- **Bonus Idea: Sell your plasma** - You can earn over \$200 a month selling your plasma. That could be a car payment and it only take a couple hours a week of your time.
